From The Manager's Desk.....

## FOR THE GOOD OF THE COMMUNITY:

I appreciate everyone's effort in making your yards and homes look great and keeping our community beautiful. I know that keeping a healthy lawn can be a challenge. Remember, it's much more cost effective to maintain it throughout the year instead of trying to bring a dead lawn back to life.

☐ There are still a few lawns and homes that need a little TLC. I will be reaching out to

those residents via a phone call and will follow up with a letter. As always, if you need help having any work done, please call the office at 443-477-3754.

**All of us here at Jensen communities would like to extend our condolences to Fred Sidney's family on the passing of his mom.**
